

Patio Screen Door Mortise Lock—Exterior

Notes:

1. Standard location of mortise lock is determined by placing the lever or knob 36" above finish floor. However, this may be adjusted for special applications.
2. This bore specification is applicable for 1 1/2", 1 3/4", or 2" backset mortise locks.
3. This bore does not work for E315, E316, E317, E515, E516, and E517. These escutcheons require a 1 3/4" face bore.
