## 10 Easy Pieces: Classic Doorbell Buttons

by Laurel Vail February 02, 2017

- f The humble doorbell button works hard and, in our opinion, needs to look good. After all, first impressions are everything. We've rounded up our ten favorite classic doorbell buttons with rectangular or round plates.
- p
- N.B.: Doorbell buttons do not include chimes or electronic bell wiring, but are replacements for existing buttons, and are wire ready.
